Welcome to the Oxford Community Association. We are a non-profit neighborhood association that works for the betterment of all residents and businesses that reside within our boundaries. Our boundaries consist of the following:

We work with the Mayor, Police Department. Elected officials, city and county departments to resolve neighborhood issues and bring about better improvements. We need your help in helping us to remain strong. You can do this by becoming a member, getting involved, attending monthly meeting, volunteering some of your time, and in carrying out neighborhood projects. We deal with zoning issues, junk cars, garbage, weed violations, abandon houses, tires, drug houses, and ethnicity differences, etc. Our neighborhood is changing. We need residents to become involved. This is your neighborhood too. You can make a difference! **We meet every second Sunday in each month – 3:00 PM at 1421 Oxford Street.**
